

## Meet your Board of Directors

---

**Rex Wilson, President**

Rex began his career as an electrician eventually going back to school to become a Biomedical Technician. He became an Assistant Director of Plant Operations in 1986 for Underwood Memorial Hospital in Woodbury, NJ and Director of Engineering in 1990 for North Ridge Medical Center in Ft. Lauderdale. He left the Healthcare profession in 1992 and took the position of Director of Engineering at the Boca West Club. He later joined the John's Island Club in Vero Beach, FL as their Facilities Manager for the past 20 years. He holds an Associate's Degree in Electronics & Computer Programming, BS in Industrial Technology and a Masters in Business Administration.

**Ian Critchley, Vice President**

Ian has been associated with the private club industry since 1986. He is the Facility Manager at Round Hill Club in Greenwich, Connecticut, which is platinum rated with approximately 600 member families. He has been a member of the council since 2010, serving previously as Secretary and Treasurer. Born in Manchester, England, Ian began his working career as a marine Engineer Officer with Cunard Line, Southampton, England

**John Oosterwal, Secretary**

John is the Facilities Manager for the London Hunt and Country Club. He has been with the Club since 1982 when he was 20 years old. The London Hunt and Country Club was founded in 1885. The Club has

hosted the 1970 PGA Canadian open and three LPGA Canadian Women's Opens, 1993, 2006 and 2013. John has taken online HVAC courses and stationary engineering courses. He has been involved with the City and Country Clubs Council since 2009. He is currently managing a \$ 10.5 million renovation at his Club.

**Nick Crim, Treasurer**

Nick graduated from Florida State University with a degree in Finance and Risk Management and began his career with the State of Florida, Department of Management Services from 2006-2012 as the Facility Manager of a high rise building in Tampa, Florida and is currently the Facilities Manager at the Tampa Yacht and Country Club in Tampa, FL. Nick has his IFMA FMP designation and his Facilities Management Administrator (FMA) from BOMI.

**Willie Arce, Past President**

Willie is one of the original seven founding fathers of the City and Country Club's Council of IFMA. He was President of the Council from 2012 – 2014 and Vice President from 2009 – 2011. He has been the Chief Engineer with the Chevy Chase Club since 1986 and managed numerous projects throughout his tenure. He has a BSEE degree from Adamson University and a Masters Certificate in Project Management. He holds a First Class Steam Engineers License, Universal License for Proper Refrigeration license and a MACS Certificate for mobile Air Conditioning.

Steve Ballard, Past President

Steve has been at The Country Club since the spring of 1991 as Project Manager, managing the Facilities Department. Prior to 1991, he worked as a Project Superintendent and Project Manager for approximately ten years with a national construction company ranked in the top 200 of national contractors at the time. Steve served on the 1999 Ryder Cup executive committee, coordinating all aspects related to buildings and utilities. In addition he coordinated the same aspects for the USGA Women's Amateur in 1995 and the USGA Men's Amateur in 2013. Steve attended Northeastern University, Civil Engineering program, as well as Wentworth Institute, Building Construction Technology program and has held an unrestricted Massachusetts State Construction Supervisor License for over 30 years. Steve is one of three individuals involved in establishing the City & Country Club Council of IFMA and was the councils first President.
