CFM Exam Prep Workshop

CFM Exam Prep Workshop: This workshop is designed to assist facility professionals seeking certification with preparation for the competency-based examination. Instructors for the course are Certified Facility Managers® who have many years of facility management experience, and can inspire participants' confidence in their ability to successfully complete the exam, earning the distinction and privilege of being a CFM.

The CFM Exam covers the broad range of facility management duties. This workshop focuses on tools that can lead to success on the exam, techniques to perceive situations, and the importance of maintaining the right perspective.

Why You Should Attend

- Learn how to use the tools that can lead to success on the CFM Exam
- Learn from CFM instructors who have been trained to share their knowledge and valuable experience
- Understand the overall concept of the exam and focus on the methodology of the exam to understand the “how” and “why”
- Learn to apply critical thinking skills and discuss the rationales used

Attendees are expected to possess the necessary FM knowledge and skills needed when attending this workshop.
