

MANUFACTURING, INDUSTRIAL & LOGISTICS COUNCIL OF IFMA

## MANUFACTURING, INDUSTRIAL & LOGISTICS COUNCIL Corporate Sponsorship Program

The Manufacturing, Industrial & Logistics Council (MILC) of the International Facility Management Association (IFMA) is soliciting corporate sponsorships from our member companies in the amount of \$500 each. These sponsor contributions are critical to the ongoing success of our Council. It is only through them that the Council is able to provide improved, expanded benefits to its members. A few of those benefits include monthly educational webinars, panel discussions and roundtables, World Workplace meetings and events, and exciting tours of venues of interest to our members.

Companies remitting \$500 will become sponsors on the 1<sup>st</sup> of the following month for a 12 month period as long as we receive your logo and company information along with your payment.

Corporate Sponsors will be recognized on an ongoing basis through the following benefits:

- Corporate Sponsors will have their company logo, web link, contact person including contact information, and a brief description of company products/services on the MILC.IFMA website for the entire year.
- Each Corporate Sponsor will have the opportunity to make a presentation to the Council through a scheduled webinar or panel discussion. These are educational programs intended to showcase the field of expertise of each presenter. While these are not sales presentations, they do offer excellent exposure for our Corporate Sponsors who are strongly urged to take advantage of this special sponsorship benefit. (MILC hosts a webinar, panel discussion or roundtable monthly)

The Manufacturing, Industrial and Logistics Council provides members the opportunity to share similar interests, insights, technical innovations and efficiency improvements, as well as unique processes and procedures, to meet the future demands and challenges of external and internal customers. The council's membership is open to those who have some degree of responsibility for a manufacturing facility and those offering specialized products/services to meet their needs.

Are you already an IFMA member and want to become a member of the Manufacturing, Industrial and Logistics Council? [Click here](#) or contact Jaclyn Lee at [jaclyn.lee@ifma.org](mailto:jaclyn.lee@ifma.org)

Any person or organization is welcome to become a part of our Corporate Sponsorship program. To add your company to our growing list of Corporate Sponsors, please confirm your sponsorship by providing the information requested below and mailing **this form**, along with your payment, to the address below.
