

Benjamin S. Cordani
Lead Human Resources Manager
Surface Mining & Technology Division – Caterpillar Inc.

Ben Cordani is Director of Human Resources for the Surface Mining & Technology Division of Caterpillar Inc. In this capacity, Ben leads a global team to attract, develop, support and engage more than 6,000 professionals in delivering the highest value surface mining equipment and technology to customers around the world. Based in Milwaukee, Wisconsin, Ben divides his time between there and Tucson, Arizona, where the company is developing its new mining headquarters and operates a Demonstration Center and Proving Ground. Ben has spent his career in Human Resources, Public Relations, Governmental Relations and Strategy Development at Caterpillar, having worked in Peoria, Illinois, Beijing, China, and Washington, DC.

Ben has a Mass Communications degree from Illinois State University, is a Friedrich-Naumann Fellowship recipient and is enrolled in the Mining Practitioner Program at South Dakota School of Mines. He is a member of the Board of Directors for Sun Corridor Inc. in Tucson, Arizona, focused on regional economic development, and serves on the Board of Next Door in Milwaukee, engaged in early childhood and family development within the city.
