*By workplace professionals,
for workplace professionals.*

No network access? No problem.

Give your swiping finger a rest and subscribe to IFMA's FMJ magazine in print – **no charger required.**

FMJ is:

- IFMA's official magazine, written by and for workplace professionals
- The **only** magazine that draws on the collective knowledge of IFMA's global network of thought leaders to bring you insights on current and upcoming FM trends
- Packed with real-world takeaways and globally applicable best practices to help you optimize your facilities
- Read by facility leaders from organizations at the top of their respective fields

**Your facility questions, answered. Never miss an issue –
