WE BRIEF: KEEPING YOU IN THE KNOW

Is it an office? Is it a mall? Is it a co-working space? Is it a city? Well, yes, it is.

From www.fastcompany.com - Today, 4:31 PM

Inside the historic old Bell Labs building in Holmdel, New Jersey, a developer is creating a "metroburbs"—a self-contained indoor Main Street that will house stores, a

According to Deloitte, 64% of employees and even company leaders have no passion for their work. Is passion the new engagement?

“Mobility in the Workplace”

- What does mobility mean to your organization?
- What is driving that mobility?
- What data, tools, and technology are required to support mobility?
- How do you implement an effective mobility strategy organization wide?

Workplace Evolutionaries is a community. We're workplace strategists, change managers, facilities managers, architects, designers, office furniture experts, IT managers, HR experts, and academics who deeply care about where the world is going—especially where work (the verb, not the noun) is going.
